EDUCATION

September 2022 - August 2023

Domus Academy
Milano, Italy
Master in Urban Vision + Architecture

September 2017 - May 2021

Syracuse University
Syracuse, NY
B.F.A., Environmental + Interior Design
Award: Overall Performance, Senior [2021]

WORK

August 2021 - September 2022

Nina Freudenberger (d.b.a. Haus Interior)
Los Angeles, CA
Junior Designer

As a junior designer, I work closely with the senior designer and lead designer to create 2D & 3D technical drawings, source furniture & finishes, design client presentations, purchase items, maintain invoice records, and build personal relationships with vendors & partner brands.

March 2020 - April 2021

Home From College
New York, NY (Remote)
Graphic Designer

Working for a startup allowed me to collaborate with the founding team to bring a digital platform of industry leaders, short-form videos, and micro internships to college students in a variety of industries. As the graphic designer, I worked closely with the Head of Marketing to design and strategize social media and website content.

May 2019 - August 2019

Studio LIFE/STYLE
West Hollywood, CA
Interior Design Intern

I assisted the junior, senior, and lead designers with mood boards, technical drawings, sourcing items, and maintaining the sample room. I visited brands, showrooms, and other design studios for material procurement regarding current projects which allowed me to familiarize myself with design showrooms in the PDC, West Hollywood, and the greater Los Angeles area. I was also able to collaborate on a project of styling, photographing, and editing inventory images.

May 2019 - Aug 2019

Ware Malcomb: Los Angeles
Los Angeles, CA
Interior Design Intern

I worked with the Interior Design team on AutoCAD drawings, finish schedules, design development, and material selections, as well as participated in meetings such as page turns, punch walks, and city permitting.

PROJECTS

Sept 2019 - Dec 2019

SU School of Design x United Nations World Expo 2020 in Dubai
Environmental + Interior Designer

Worked collaboratively and across three design disciplines to conceptualize and materialize a design for the United Nations World Expo 2020 in Dubai through the narrative of power and progress that occurs when countries are unified. [Selected to present the project for my discipline to the World Expo Committee at the UN Headquarters in New York City]

Jan 2021 - May 2021

How Urban Farming Can Help Alleviate Food Scarcity & Rebuild Neighborhoods in Los Angeles County
Capstone, 2021

Independently researched, designed, and built a space integrating urban farming practices such as vertical farming which would provide opportunities for greater food access and educational initiatives to engage communities and improve food scarcity.
